

You should:

Support Documents

Download an application from our website. Complete the registration form on website to be contacted by a BSA representative for a personal consultation and more info.

Complete the main application and submit the supporting documents. Your institution will also have their own forms for you to complete, so it is best to start early.

Enclose an International Resume, one letter of recommendation, 4 passport photos, a copy of your passport signature page and photo, and internship proposal form.

Once we receive your application we will:

Evaluate your application

Send you an acceptance or rejection letter with additional forms to complete.

Talk to your study abroad director and financial aid counselor about grants, scholarships, loans, and other transferable aid. Also discuss the process to transfer aid to your study abroad program.

You should then:

Return your acceptance letter and confirmation fee to hold your spot in the program.

Return your medical and health insurance forms

BSA will then:

Begin university and housing enrollment. Start internship placement.

Continue pre-departure support, advising, visa and flight info, etc.

Give pre-departure orientation for those students who can attend (Date, time, and location TBA). Students who cannot attend because of extenuating circumstances.

FINALLY: YOU SHOULD START YOUR INCREDIBLE STUDY ABROAD EXPERIENCE!!!
